

ARE YOU INTERESTED IN GETTING AN IUD?

**We are currently looking for
volunteers for a study!**

If you are between **18-35 years old**, you want a **Hormonal IUD** placed, and you are willing to receive **daily/weekly text message surveys for 1-month** of follow up data including a urine pregnancy test result one month after IUD placement, ask our research staff about the research opportunity.

To learn more please contact our Research team at research@pprm.org or by calling [303.813.7712](tel:303.813.7712).

A staff member will respond to you within 1-2 business days. This study is only available in select health centers in the Denver metro area.

**If selected, your IUD
will be no-cost to
you, and you will be
compensated up to
\$150!**
