

Annual Report

2018

President's Message

This has been an incredible year.

Of particular note, as it furthers our mission in a deep and meaningful way, is the consolidation Planned Parenthood Greater Memphis Region and Planned Parenthood of Middle and East Tennessee into Planned Parenthood of Tennessee and North Mississippi (PPTNM).

For more than seventy five years, Planned Parenthood has provided nonjudgmental care to Tennesseans and Mississippians, and anyone else who walks through our doors. As we brace for more attacks from our hostile state and federal governments—against women, people of color, immigrants, and LGBTQ folks; against access to reproductive and sexual health care; against fact-based sexuality education—the joining of our two sister affiliates makes us bigger, better, and stronger in every area.

As a new affiliate, our strategic priorities are to:

- Expand health center services to meet the needs of our current patients and attract new patients and improve facilities and security for the well-being of patients and staff
- Expand education services through new delivery models, and for new communities
- Build our power and reach by engaging more volunteers, supporters, and donors, and by raising our brand profile
- Recruit and retain excellent staff for new or expanded roles

Even in a world where our rights and access to health care is in jeopardy and Tennessee continues to move forward in their efforts to eliminate Planned Parenthood as a healthcare provider for Medicaid (TennCare) enrollees, Planned Parenthood is resilient and forward-thinking. We are focused on the care our patients and communities deserve.

And we have our secret weapon: you. We have you and we have the patients who trust us with their care, no matter what.

As we prepare for the challenges ahead, thank you for standing with Planned Parenthood. We're on the right side of history and we're not going anywhere. I am grateful for your steadfast support.

Sincerely,

Ashley Coffield – CEO/President
Planned Parenthood Tennessee and North Mississippi

Board Chair's Message

This past year brought great change for the Planned Parenthood affiliates in Tennessee. The boards of directors from the Planned Parenthood affiliates that provided reproductive health services and sexuality education throughout the Greater Memphis Region and Middle & East Tennessee decided to consolidate on June 1. This strategic decision was motivated by a deep commitment to ensuring that reproductive health care services are accessible and affordable in our regions.

This opportunity creates a strengthened Planned Parenthood affiliate—one that is well positioned financially, with increased political might, and that remains visible and relevant in all of our local communities. While our organization is larger, its strength will continue to depend on local donors and volunteers like you. Our goal is to continue to build in all the communities we serve, connect with new communities, and grow together as we move forward.

As it should be, our patients are our focus and our motto remains "Care. No matter what." We know that when people are truly cared for, they make their lives, their families, and their communities better and healthier. Our doors are open to everyone—regardless of their race, gender, religion, sexual orientation, income, country of origin, or zip code—no matter what.

This is why I am particularly proud to share this 2018 Annual Report with you. Inside this report, you will find that, even in the midst of change, your support enabled us to serve more than 20,000 patients in our four health centers; distribute nearly 1 million condoms and other safer sex supplies; provide sexual health education to over 1,700 young people and adults, and reach nearly 3,000 more through peer education efforts; and galvanize our advocates to submit 9,700 comments opposing attempts to ban Medicaid patients from accessing care at Planned Parenthood.

This report is a testament to all that we can achieve when we come together in service to our mission: to provide affordable, high-quality, nonjudgmental health care; honest and accurate sexual health education; and fearless advocacy for your reproductive rights.

Thank you for your continued support. Know that our collective efforts will raise the standard of care, no matter what, for our patients and the communities we serve.

Sincerely,

A handwritten signature in blue ink that reads "Robert Cox".

Community Engagement & Advocacy

By the numbers:

- **504** volunteers donated their time to PPTNM
- **9** College Campus Generation Action Chapters activated across the PPTNM affiliate region
- **180** advocates attended PPTNM's 2018 Day on the Hill in Nashville
- Over **9,700** comments submitted to the state & federal government opposing attempts to ban Medicaid patients from receiving health care services at Planned Parenthood

Regional Highlights:

- **2018 Power Together March:** On January 20th, over 15,000 marchers gathered for the statewide Women's March 2.0: Power Together TN in Nashville, TN. This morning conference and march to an afternoon rally was the follow-up action to one of the largest demonstrations in history.

WOMEN'S MARCH 2.0

Community Action Teams (CATs): CATs are a broad group of concerned individuals in our communities that work with and support local Planned Parenthood health centers and mobilize advocates of reproductive rights. Teams form through individual relationship networks at workplaces, schools, community organizations, neighborhoods, congregations, etc. CATs organize events and recruit volunteers to raise awareness about sexual and reproductive health and rights. Types of events include phone banks, rallies, letter-writing campaigns, and lobby visits to support Planned Parenthood's legislative agenda.

The Power Together conference had over 800 registrants participate in the following topic areas:

- **Legislative skills and Issues** - How bills become law; how to lobby; dealing with legislators, specific issue areas impacting women, communities of color, youth, LGBTQ+, individuals with disabilities, indigenous communities, the earth and our environment, etc.
- **Understanding Elections** - Voter registration; how to become a candidate; Get Out the Vote.
- **Faith and Spirituality** - Dealing with compassion fatigue; being safe and resilient without withdrawing; spiritual and moral life of progressives, self-care to stave off burnout; values and politics
- **Grassroots Organizing** - Skills-building, understanding and building power, direct action; ensuring safety and security at demonstrations
- **Youth** - Leadership development, connecting campuses throughout the state
- **Artivism** - The role of creativity in social justice; artistic voice = activist voice; using music, dance, theater, film, visual and performance art for civic engagement.

After the Power Together conference, people gathered for the rally and march with prominent speakers, elected officials, movement leaders, artists and entertainers. This event kicked off the year with the momentum to work collectively with organizational partners across the state on legislative, advocacy, and organizing priorities. We are more powerful together.

RAIZ

In June, PPTNM received a grant to establish the Raíz Program in Memphis. The Raíz Program was created to strengthen relationships with the Latinx community in order to better address issues that directly impact Latinx individuals, such as the lack of medical treatment for undocumented immigrants. Raíz also aims to educate and develop advocacy skills of Latinx individuals to increase activism for Latinx communities' equal access to sexual and reproductive health care and rights. In the first four months, Raíz connected with crucial partners and established a strong presence in Spanish social, broadcast, and print media. Through our outreach efforts, more than 5,000 Latinx people are aware of the Raíz mission and a portion of those have become volunteers in the program.

ACTION COUNCILS

Action Councils are central to PPTNM's grassroots organizing strategy. The Knoxville Feminist Action Brigade (KFAB), which formed during the Vote No on 1 fight in 2014, is one of 8 Action Councils across the state. KFAB meets weekly and offers a supportive space in Knoxville for Planned Parenthood supporters to organize events and find a sense of community. Over the past year KFAB has hosted a monthly feminist book club meeting, three voter registration drives, and regular letter-writing parties in support of Planned Parenthood and our patients. KFAB members also amplify and volunteer for Planned Parenthood events and seek to educate the community on our legislative priorities through public workshops.

2018 Legislative Overview:

Planned Parenthood worked with legislators this year to develop and champion positive, proactive legislation in support of women's health: the Women's Health Equity Bill. The Women's Health Equity Bill protects and expands the Affordable Care Act's birth control benefit and requires coverage for women's preventive services. The bill would also prohibit workplace or political discrimination against women regarding their health coverage. Though the Women's Health Equity Bill did not pass this session, it is policy focused on creating positive health outcomes - in contrast to the politically-motivated attacks on women's health typically seen from the Tennessee General Assembly.

Through thousands of phone calls, emails, and postcards, Planned Parenthood supporters were successful in minimizing the impact of two pieces of legislation which could have otherwise impacted access to safe, legal abortion in Tennessee.

The passage of one bill set into motion a waiver process that would bar TennCare (Medicaid) patients from using their health insurance to cover basic preventative health care services at Planned Parenthood - such as life-saving cancer screenings, testing and treatment for sexually transmitted infections, birth control, and more. The federal government has not yet approved this waiver so it does not yet impact our ability to provide services to TennCare patients. Over 9,700 comments were submitted to state and federal agencies in opposition to this waiver and we will continue to fight it.

EDUCATION

Education in 2017

PPTNM educators replace fear with facts and misinformation with education. All education programs are inclusive, evidence-based, interactive, and tailored to meet the age, ability, and needs of your group.

YOUTH SESSIONS

These interactive sessions discuss all aspects of sexuality, focusing on decision-making skills and values exploration. Popular topics include puberty, healthy relationships, abstinence, birth control, and STDs/STIs.

PARENT SESSIONS

Throughout parent sessions our educators will help you: clarify and teach your family's values, discuss what kids should know and when, identify tips and suggestions for starting the conversation, and answer difficult questions with more comfort.

THE STATE OF SEX ED IN TENNESSEE

This workshop helps clarify the current laws around Sexuality Education and how parents can take steps to ensure their youth are getting the information they need to make healthy decisions.

Peer Education

Because the laws in Tennessee make it hard to directly reach youth, we train them to be able to accurately and honestly reach and teach their peers sex ed. Each year we train passionate youth, equipping them with the skills to be peer educators and developing the Planned Parenthood Advocates of the next generation.

FYI

This group of High Schoolers from East Tennessee are passionate about community advocacy, FYI focuses on comprehensive sexuality education, sexual assault awareness, safer sex, LGBTQIA rights, and more. Their advocacy events range from informational handouts, visibility events, and meeting with legislators.

PG-13 PLAYERS

Celebrating their 30th Anniversary last year, these High School students from Middle Tennessee, create an original skit each year to address issues facing teens today. Through their interactive performances, teen issues are not just talked about- they are brought to life. Opportunities include interactive performances, professional youth competency training, and healthy relationship workshops.

JUST US

A High School peer ed group based in Memphis that is launching January 2019!

SEXPERTS

Since we know Sex Ed is not being taught in Tennessee Public Schools, we head to College where we support our Generation Action and Vox Chapters to teach what they missed in High School, and train them to teach their peers about healthy relationships, birth control, and STDs/STIs.

Professional Training

PPTNM educators design professional trainings to meet the needs of your organization. Whether increasing comfort answering difficult questions, exploring professional values, or up-to-date information on evolving sexual health data, our educators can help empower your professionals.

SEXUAL EDUCATION TRAINING SERIES - SETS

This intensive 3.5 day course will equip youth-serving professionals with the knowledge skills, and comfort needed to empower clients in informed sexual health decision-making. Utilizing hands-on practical experience, discussion, and topical lecture, participants will leave equipped to address tough sexual health topics.

Education

PROMOTORAS

Building our relationship with the Spanish-speaking and Latinx community, Promotoras aims to increase the awareness of Planned Parenthood and our health services with a longer-term goal of meaningfully increasing our educational impact with Latinx Peer Educators. In its first year, Promotoras developed partnerships with the Mexican Consulate, the Guatemalan Consulate, Latino Memphis, Casa Luz, La Raza, and El Mercadito. Our bilingual and bicultural educators create columns for *La Prensa Latina*, *Vida Saludable*, *El Informante* and go on radio programs with Radio Ambiente and *La Favorita* to provide medically accurate and culturally appropriate information and resources.

Desarrollando nuestra relación con la comunidad de habla hispana y Latinx. Promotoras tiene como objetivo incrementar la presencia de Planned Parenthood a través de nuestros servicios de salud y educación, con el objetivo a largo plazo de aumentar significativamente nuestro impacto en el bienestar de la comunidad Latinx. En su primer año, Promotoras colaboró con el Consulado de México, el Consulado de Guatemala, Latino Memphis, Casa Luz, La Raza y El Mercadito. Nuestros educadores bilingües y biculturales escriben artículos para *La Prensa Latina*, *Vida Saludable* y *El Informante*. De igual manera, Promotores ha participado en programas de alcance comunitario en Radio Ambiente y *La Favorita* para informar a la comunidad sobre nuestros servicios de educación y salud.

CONDOM DISTRIBUTION

This year, Free Condoms Memphis combined with #getyasumgood to distribute free condoms across the state! Aimed at increasing the Accessibility, Availability, and Acceptability of condoms in Tennessee, these two programs joined to create an even greater impact on HIV in our communities. In addition to showing up in over 200 agencies across the state, we handed out condoms at Nashville CARES AIDS Walk, Black PRIDE, MidSouth Pride, Nashville Pride, Tri-State Black Pride, Knoxville Pride, Bonnaroo, Idapalooza, Cumberland Pride, and many more!

DRAWING WATER FROM A DEEPER WELL

In August 2017, PPTNM Educators joined with Planned Parenthood Southeast to successfully host the Nationwide Biannual Planned Parenthood Conference for Educators, Drawing Water from a Deeper Well. Held in Atlanta, we brought together over 180 educators from affiliates across the nation to learn and share best practices. Our Keynote speaker was Monica Simpson, Executive Director of SisterSong, and we were able to hear from Ash-Lee Woodard-Henderson and Allyn Steele, Highlander Center Executives, and Georgia state legislator Nikema Williams.

14th Annual James Awards Celebration

September 13, 2018 - Memphis

At the 2018 James Awards, PPTNM welcomed keynote speaker, Dr. Brittney Cooper, professor, co-founder of the Crunk Feminist Collective, and author of *Eloquent Rage: A Black Feminist Discovers Her Superpower*.

THE JAMES AWARD is named in honor of Bob James, former Memphis City Councilman from 1967 to 1987 and local business leader. Bob was a long-time supporter who believed ardently in the mission of Planned Parenthood. When he passed away in 2004, he left an endowment of \$1 million to the Community Foundation of Greater Memphis for the annual benefit of Planned Parenthood Greater Memphis Region. The James Award is our highest honor given each year to a Mid-South community member who has shown unwavering support to the ideals of Planned Parenthood.

This year, we presented our James Award to **Kayla Gore**, OUTMemphis's Transgender Services Specialist. Ms. Gore is a staunch supporter of Planned Parenthood; she participates in community outreach efforts like the Memphis Monologues, Beers with Pioneers, and she conducts LGBTQ cultural competency training for Planned Parenthood staff.

3rd Annual Amuse Bouche Celebration

October 4, 2018 - Nashville

At our 2018 **AMUSE BOUCHE** - (a-muz-bush) n. French, literally, (it) entertains (the) mouth - was held at The Temple in Nashville. We launched our first annual Volunteer Awards, and celebrated the history made by Supreme Court Justice Ruth Bader Ginsburg with the Co-author of NY Times bestseller Notorious RBG: The Life and Times of Ruth Bader Ginsburg Irin Carmon as our Keynote Speaker. Ms. Carmon is also a CNN correspondent and Senior Correspondent at New York Magazine where she covers reproductive rights, the Supreme Court, sexual harassment, media and other topics.

THE FAMILY LIFE EDUCATOR OF THE YEAR AWARD recognizes the outstanding contributions made by educators who excel in providing sexuality education to middle school and high school students in the Nashville area. This award, established in 1992, is made possible through the Joni Werthan and Patricia Werthan Uhlmann Generations Fund, established by these sisters in honor of their Grandmother Rosa Pfeifer Isacson and mother Heloise Werthan Kuhn, in recognition of their historical and ongoing commitment to the educational mission of Planned Parenthood.

The Women's Leadership Circle

The Women's Leadership Circle (WLC) is a group of women who are proud to have their name associated with our cause, dedicated to supporting Planned Parenthood's mission openly and without apology, and who donate a minimum of \$1,000 annually (per household) to Planned Parenthood of Tennessee and North Mississippi

Founded in 2014, the WLC has 285 members. WLC events include exclusive, periodic updates about important issues facing our organization; educational forums; luncheons and cocktail receptions; and the opportunity to participate in an annual conference call with local and national leadership staff. In the fall of 2018 we launched Women's Leadership Circles in both our Middle and East regions, and local events are planned.

If you would like to join this outstanding and generous group of women leaders in our community, please contact development@pptnm.org or call 866.711.1717.

A planned gift lasts long beyond a lifetime. It allows you to fulfill your dreams and wishes for our organization and demonstrate your commitment to future generations benefiting from our services.

Please consider including Planned Parenthood of Tennessee and North Mississippi in your estate plans. We have found that our planned gift donors want to do something special for Planned Parenthood because they care deeply about our organization, and they want to make a difference in the world they live in -- now and in the future. We would love to talk to you about the impact of estate planning and the benefits of charitable gift planning. PPTNM is a tax exempt 501c organization and any bequest is fully deductible for federal estate tax purposes.

If you have already named Planned Parenthood in your estate plans and would like to be included in our Legacy Circle, wish to plan a bequest, or if you have any questions, please contact the Development department at development@pptnm.org.
