At Upper Hudson Planned Parenthood we are proud to deliver the essential care our patients need and deserve at our Albany, Hudson, and Troy health centers. Our Leadership Circle of over 300 supporters strengthens our resilience, our ability to serve more people, educate more students, and build a community ready for whatever lies ahead.

Upper Hudson Planned Parenthood's Leadership Circle Members say proudly and publicly: I'm for abortion care. I'm for gender-affirming care. I'm for all the essential services UHPP provides. Each member helps send a clear message throughout our region that "We're for Planned Parenthood" and Planned Parenthood will be here for generations to come.
