

Are you interested in getting an IUD today?

***We are currently looking
for volunteers for a study!***

If you are:

Between **16-35 years old**, you want a **Hormonal IUD** placed, and you are willing to receive daily/weekly text message surveys for 1-month of follow up data including a urine pregnancy test result one month after IUD placement, ask clinic staff about a research opportunity.

**If selected, your IUD will be
no-cost to you, and you will
be compensated up to
\$150!**
