

Spring 2024 GALA

PLANNED PARENTHOOD OF MARYLAND

Each year Planned Parenthood of Maryland's Spring Gala brings hundreds of community members and leaders together over an evening of celebration to protect access to reproductive health care. There has never been a more critical time for our community to stand together in partnership to ensure that all Marylanders, and those traveling from out-of-state to Maryland, get the care that they need and deserve.

The Gala raises the critical funds needed to serve the over 30,000 patients who rely on PPM each year for high-quality and affordable health care and education, no matter what. PPM provides services at seven physical health centers and through telehealth, reaching many individuals and families, often serving as their only point of access to the health care system. As part of our mission, PPM serves as a safety-net provider, ensuring that all services are available to patients regardless of income or insurance.

We provide all patients with the quality care they need at low or no cost thanks to donor-supported programs and fundraising events like the Spring Gala.

There are several ways to support the 2024 PPM Spring Gala:

PURCHASE TICKETS TO THE GALA!

Tickets are \$250 and guests will enjoy a cocktail reception, seated dinner, and dessert program.

JOIN THE HONORARY COMMITTEE!

With a donation of \$750 to the PPM Spring Gala, members of the Honorary Committee will receive two gala tickets with benefits outlined above and recognition in the event program as an Honorary Committee member.

SPONSOR THE EVENT!

Sponsorship opportunities are also available beginning at \$2,500 with benefits including gala tickets and special recognition.
