CELEBRATING OUR 50TH ANNIVERSARY
PPG’S HISTORICAL TIMELINE
Five Decades of Breaking the Brink

The following infographic provides a historical timeline of events and milestones in the history of Planned Parenthood Global (PPG), beginning with its founding and continuing through to the present day. The timeline highlights key moments, initiatives, and impacts that have shaped the organization’s mission and work in advancing reproductive health, rights, and justice around the world.

1970s:
- 1970: Planned Parenthood Federation of America (PPFA) launched the first national community-based access to reproductive health care program.
- 1971: PPFA established the International Activities Committee to focus on global issues.
- 1972: Established a chapter in Mexico City, marking the first international program.
- 1975: Founded the International Planned Parenthood Federation (IPPF), a global network of member organizations.
- 1977: UN General Assembly adopts Resolution 32/170 on human rights and law on the international oceans.

1980s:
- 1980: PPFA sues the U.S. government over the restrictions imposed on international access to family planning.
- 1983: Planned Parenthood International, the organization that became Planned Parenthood Global (PPG), is founded.
- 1986: PPG launches the Stolen Lives report, documenting the incidence of reproductive health-related violence.
- 1987: PPG’s first Latin American forum is convened, with PPFA activists, researchers, and professionals presenting five key messages and design evidence-based solutions to sexual health, rights, and connections to legal experts.
- 1988: PPG supports the launch of the Voices for Health, Women’s Health, Rights and Justice,” a coalition of women’s health organizations.
- 1989: PPG supports the formation of the American Consortium Against Unsafe Abortion (AMCAUA).
