You can apply by completing the Minnesota Family Planning Program application and sending it to this address:

Minnesota Department of Human Services

Reviews

The state or federal agency's health care program auditors may look at your case. They will review the information you gave us and check to make sure we processed your case correctly. They will let you know if they need to ask you questions.

Consent for Sharing of Medical Information

In your application for MFPP coverage, you have given your written and signed consent to the following agencies and people to share between them medical information about you only for the limited purposes indicated:

- Health providers, including health plans, insurance agencies, MFPP, MA, MinnesotaCare, county advocates, school districts, your county or state case workers, and their contractors and subcontractors, for these purposes:
 - To determine who should pay for your health care
 - To provide, manage and coordinate health care services
- All other agencies or people listed on this Notice of Privacy Practices and Notice of Rights and Responsibilities, for this purpose:
 To administer Minnesota Health Care Programs, pay for services, and conduct research and investigations

This consent applies to medical information about your minor children you applied for on this application.

You can stop this consent at any time by asking in writing for it to end. The written notice to stop this consent will not affect information the agency has already given to others. This consent is good while you are enrolled in MFPP, up to one year or longer if the law permits.

However, it does not end after one year for records given to consulting providers or for payment of your bills, fraud investigations or quality-of-care review and studies.

An agency or person who gets your information through this consent could give the information to others.

If you end this consent, you cannot enroll or stay enrolled in MFPP.

Assignment of Medical Payments

By accepting MFPP, you give your rights to all medical payments for yourself and anyone else you apply for to the State of Minnesota. These include medical payments from all other people or companies, including medical support payments from an absent parent. This assignment of medical payments begins as soon as health care coverage starts.

You also agree to help the state get paid back for medical expenses that should have been paid by others. You may not have to help the state if you have a good reason for not helping and the state approves the reason.

If you have Medicare Part B, Medicare can pay your health providers for the care you get while you have MFPP coverage.

Minnesota Health Care Programs

Minnesota Health Care Programs can give you and your family coverage for most medical services or provide help paying your Medicare premiums, deductibles and copays. How much help you can get depends on the program you qualify for.

Medical Assistance

Medical Assistance (MA) is Minnesota's Medicaid program. There is no monthly cost to enrollees. MA pays for current and future medical bills. MA may also pay medical bills going back three months from when we get your application.

You can have other health insurance and still qualify. MA may help pay for the cost of your other health insurance.

Medical Assistance for Employed Persons with Disabilities (MA-EPD)

MA-EPD is a work incentive health care program that provides MA coverage to employed people with certified disabilities. You must earn more than \$65 a calendar month to be eligible for MA-EPD. An asset limit of \$20,000 applies. Assets owned by your spouse do not count. You pay a monthly premium based on your income. American Indians usually do not pay a premium.

Medicare Savings Programs

Medicare Savings Programs can help pay Medicare premiums, deductibles and copays for people enrolled or who can enroll in Medicare.

MinnesotaCare

MinnesotaCare is a Minnesota health care program. MinnesotaCare is low-cost health care coverage for Minnesotans who do not qualify for MA or Medicare, or cannot get affordable insurance through an employer. Most people pay a monthly premium. The premium is based on your household size and income. Coverage starts the first day of the month after you pay your premium.

What services are covered?

MA, MA-EPD and MinnesotaCare covered services include:

- Doctor's visits
- Outpatient care
- Emergency care
- Hospital care
- Maternity and newborn care
- Mental health care
- Alcohol and drug treatment
- Prescription drugs
- Rehabilitative services
- Laboratory services
- Preventive and wellness care
- Chronic disease management
- Dental care
- Vision care including eye glasses
- Chiropractic care
- Family planning
- Hearing aids
- Medical equipment and supplies

You may have to pay a copay for some medical services. Pregnant women and children under 21 do not pay copays.

The **Medicare Savings Programs** help pay Medicare related costs.

- **Qualified Medicare Beneficiary (QMB)** pays Medicare premiums, deductibles, copays and coinsurance ([DHS-2087E](#))
- **Service Limited Medicare Beneficiary (SLMB)** pays Medicare Part B premiums ([DHS-2087G](#))
- **Qualified Individual (QI)** pays Medicare Part B premiums for higher income individuals ([DHS-2087I](#))
- **Qualified Working Disabled (QWD)** pays Medicare Part A premiums if you cannot get free Medicare Part A ([DHS-2087F](#))

How can I qualify?

You must meet program rules including income limits. How much income you can have and still qualify depends on your household size, age, pregnancy status, if you are blind or have a disability, and the health care program you qualify for. **NOTE: Income guidelines are approximations only. Use these charts for general reference.**

**MA Monthly Income Limits
effective 7-1-19 – 6-30-20**

Family size	1	2	3	For each additional person, add
Infants under 2	\$2,945	\$3,987	\$5,030	\$1,042
Pregnant Women*		\$3,917	\$4,941	\$1,023
Children 2 through 18	\$2,863	\$3,876	\$4,889	\$1,013
Parents and caretaker relatives	\$1,384	\$1,874	\$2,364	\$489
Adults age 19 -64 without children	\$1,384	\$1,874	\$2,364	\$489

People who are blind or have a disability	\$1,041	\$1,410	\$1,779	\$369
*A pregnant woman counts as two or more.				

Can I qualify if my income is more than these limits?

If your income is more than the income limits, you may still qualify for MA by meeting a spenddown. A spenddown is like an insurance deductible. You pay part of your medical bills and MA pays the rest.

I am pregnant. If I qualify, will my baby get health care?

If you get MA as a pregnant woman, your baby will get MA through the month of his or her first birthday. During the first year, your baby's coverage cannot stop if he or she continues to live in Minnesota.

MA Asset Limits

Assets are items you own. Assets that may count include cash, bank accounts, stocks, bonds, certain vehicles and property where you do not live. Assets that do not count include the home where you live, household goods, personal items such as clothing and jewelry, and certain assets owned by an American Indian.

There is no asset limit if you qualify as a pregnant woman, a parent or caretaker relative of a child under age 19, a child under age 21, or an adult under age 65 without children. Parents and caretaker relatives who qualify for MA with a spenddown have an asset limit of \$20,000.

The asset limit if you qualify as a person who is blind, has a disability or is age 65 or older is \$3,000 for one and \$6,000 for a household of two or more.

**Medicare Savings Programs Monthly Income Limits
effective 7-1-19 – 6-30-20**

Family size	1	2	For each additional person, add
Qualified Medicare Beneficiary (QMB)	\$1,061	\$1,430	\$369

Qualified Individual (QI)	\$1,426	\$1,924	\$498
Qualified Working Disabled (QWD)	\$2,102	\$2,839	\$737

The asset limit is \$10,000 for a single person and \$18,000 for a family of two or more, except for QWD. The QWD asset limit is \$4,000 for a single person and \$6,000 for a family of two or more.

**MinnesotaCare Yearly Income Limits
effective 1-1-19 – 12-31-19**

Family Size	Income limit
1	\$24,280
2	\$32,920
3	\$41,560
For each additional person, add	\$8,640

There is no asset limit for MinnesotaCare.

What if I do not qualify for a Minnesota Health Care Program but still need coverage?

You may be able to get health care coverage through your work. Ask your employer if they offer health insurance to you and your family. If your employer does not offer affordable health insurance, you may qualify for a tax credit to help you buy health insurance.

Qualified Health Plans (QHP) and MNsure

You may be able to buy Qualified Health Plan (QHP) coverage, with or without a tax credit on MNsure. If you qualify for a tax credit, the tax credit can help pay the monthly premium.

MNsure is Minnesota's health insurance marketplace. You can find, compare, and choose, quality health care coverage that best fits your needs and budget. QHPs are commercial health insurance plans offered by insurance companies. All plans offer preventive services, mental health and substance abuse services, emergency services, prescription drugs and hospitalization. Some plans include more benefits.

Each plan is reviewed by state regulators, certified as a QHP and approved to be sold on MNsure.

You are able to enroll in a QHP during the open enrollment period of November 1, 2018, through January 13, 2019. You may qualify to enroll at other times due to certain life events such as the birth of a child, marriage or loss of health insurance coverage.

Advance Premium Tax Credit

The Advanced Premium Tax Credit allows you to get a federal tax credit right away to pay a part of your QHP premium. To qualify you must file taxes at the end of the year and enroll in a QHP through MNsure. The tax credit is paid to the health plan you choose. You must pay your portion of the health care premium to the health plan to start and keep coverage.

You may also qualify for cost sharing reduction. This benefit lowers the copays, coinsurance, and out-of-pocket costs you pay for health care services.

Minnesota Family Planning Program (MFPP)

Notice: Approval of Short-Term Coverage

Certified MFPP providers: Complete this form after you approve presumptive eligibility. Give a copy to the recipient.

Recipient Information

LAST NAME	FIRST NAME	MIDDLE NAME
DATE OF BIRTH		COVERAGE BEGIN DATE (DATE OF APPROVAL)

You can get short-term coverage under the Minnesota Family Planning Program (MFPP). Your coverage begins on the coverage begin date shown above. MFPP covers only family planning services and transportation services to and from providers of family planning services.

Show this letter when you get family planning services. These services include doctor visits and prescriptions.

Your short-term coverage ends on whichever of these two dates applies:

- DATE: _____ This date applies if DHS does not get the full MFPP application from you by the last day of the month after the month your short-term coverage was approved.
- The date the Department of Human Services (DHS) decides your eligibility for ongoing MFPP coverage. This date applies if DHS gets the full MFPP application from you by the last day of the month after the month your short-term coverage was approved.

If you filled out the full MFPP application, we will send it to DHS for you. If you took it with you to fill out on your own, you must send it to DHS to get ongoing MFPP coverage. A worker will call you or send a letter if the worker needs more information to process your application. You will get a letter telling you whether you can get MFPP coverage for a year.

If you need to see a doctor for something other than family planning services and you don't have other coverage, you may apply for health coverage and help paying costs in the following ways:

- Apply online at www.mnsure.org
- Fill out the Application for Health Coverage and Help Paying Costs (DHS-6696). Find this application at www.mnsure.org. Or have one mailed to you by calling 651-431-2670 or 800-657-3739.

If you have questions, please call MFPP at 651-431-3480 or 888-702-9968.
