

Celebrate Upper Hudson Planned Parenthood's 90th Anniversary with a Legacy Gift that will help us stay strong for the next century. We are launching our Planned Giving Challenge with a goal of securing \$1M in documented bequests. Once we do, we will receive a generous gift of \$100,000 bolstering our ability to provide care, no matter what.

By including us in your plans you will keep our health centers strong and support our mission to promote healthy sexuality and protect reproductive choice for all through exceptional services, honest education and fearless advocacy for generations to come.

I am willing to be listed as a LEGACY SOCIETY member. Please list my name/our names as follows:
