Learn More

A new sex ed mobile game developed by and for Spanish-speaking youth ages 13-18. (And their family members can play, too!)

Sex Ed Equity Project
Evidence-based sex ed for systems-involved youth and rural communities.
- Plan A
- Power Through Choices
**High School Students**
Youth leaders are invited from PPMM’s 42 counties to be trained as peer educators who lead virtual sex ed lessons and powerful 1:1 conversations with their peers and family members.

**Why Sex Ed Matters (03:15)**

**Spanish-Speaking Adults**
Enlaces: Connectando Comunidades (Links: Connecting Communities) is our promotores program that increases access to sex ed about traditionally stigmatized health topics and is delivered by and for Latine/x folks.
- Program implementation guide
- Trainings and coaching
- In-person, online, and hybrid formats

**Our Experiences and Strength (04:24)**

---

**Young Parents**
The Teen Parent Support Program (TPSP) is a comprehensive case management program in Santa Clara County:
- Strength-based coaching
- Resource navigation
- Support obtaining high school diploma or to pursue post-secondary pathways.
- Learn more!

**Y-LED**
Youth research, design, and deliver relevant Digital Learning programs and products for their peers, such as: games, e-courses, and social media content.
Designed for teens, young adults, or parents:

- Topics range from puberty to sexual and reproductive health, STI and unintended pregnancy prevention, and consent.
- Include resources, fun items like stickers, or condoms.
- Requests fulfilled based on availability and shipped at no cost.
