

Do's and Don'ts

01 As a representative of Planned Parenthood, you are expected to be professional at all times. Please adhere to the following Do's and Don'ts.

02 DO

- > **DO** review the Talking Points with your group (preferably ahead of time).
- > **DO** give only 1-2 condoms per person. If they seem genuinely interested and ask for more, you may give them 1 more condom. Additional condoms can be obtained at any Planned Parenthood health center in San Diego, Riverside & Imperial Counties.
- > **DO** offer condoms to everyone you interact with.
- > **DO** take pictures and hashtag #PPCondomCrawl or #CondomCrawl and tag @pppswhealth. Email pictures to volunteer@planned.org and indicate the date of your Condom Crawl.

DO mingle, and have fun!

03 DO NOT

- > **DO NOT** respond to media inquiries. Refer all media questions to Administration at (619) 881-4500.
- > **DO NOT** consume alcohol while actively passing out condoms. You may consume alcohol at the end of your street crawl but do not get intoxicated.
- > **DO NOT** make assumptions or judgments about the patrons that you encounter.
- > **DO NOT** engage in debate with someone who is not supportive of Planned Parenthood. We have a strict non-confrontation policy. If someone makes an unfavorable comment, do not take it personal; just move on to the next person. If they'd like to speak to a staff person, refer them to Administration at (619) 881-4500.
